TOPIC : AIRLINES DATA ANALYTICS FOR
AVIATION INDUSTRY

TEAM LEADER:

P.V.PRAHARSHA REDDY

TEAM MEMBERS:

- BOYAPATI AJAY KUMAR
- P SATHVIK REDDY
- K VARSITH REDDY

ABOUT THE PROJECT:

- To guarantee that passengers will arrive at their destination on schedule, to offer better airline and airport services, and to prevent delays in air travel between different sites.
- Because of Massive levels of aircraft delays on the ground and in the air have also been brought on by an increase in air traffic. Large financial losses are a result of these delays.
